# *GLOBALLY ACCLAIMED ARCHITECTS*

Based in Miami and with nine international offices, Arquitectonica is known for its bold modernism, which sparked an architectural renaissance in Miami. Founded in 1977 by principals Bernardo Fort-Brescia and Laurinda H. Spear, the company continues to push the limits of the built world, incorporating an innovative use of geometry, pattern and color to present a distinctive brand

of humanistic modern design. Today the practice spans the globe, with projects in 58 countries on five continents and numerous accolades from projects including the Microsoft European Headquarters in Paris, the Bronx Museum of the Arts in New York City and the American Airlines Arena in Miami.
